Legal Intelligence

**AI-Powered State Court Intelligence &  
Judicial Analytics Platform**

# What is Trellis?

The single source and authority for ALL state trial court research whether it be records, data, analytics, or Legal Data as a Service.

## Currently Covering 24+ States

Now you can gather insights across hundreds of state trial courts and connect the dots for your clients!

- 24 States, 916 Counties, and +100M searchable filed documents
- Each county includes over 15 years of historical docket data, plus realtime updates on new and pending cases
- Coverage: <https://trellis.law/coverage>

# Intel on Trial Court Judges

## Motion practice should be strategic.

View Ruling & Grant Rate analysis on important pre-trial motions.

## Timing should never take you or your client by surprise.

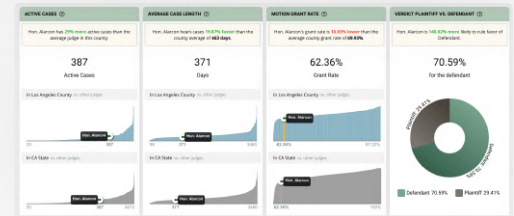

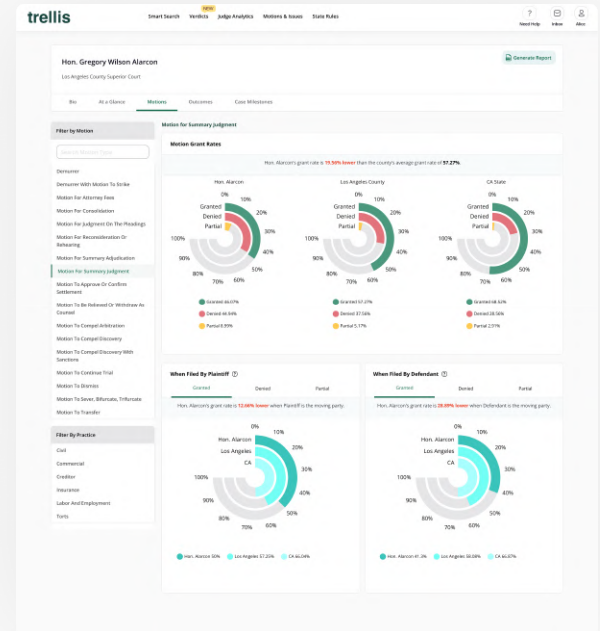

See your judge's average case duration broken down by practice matter.

## Play to your judge's strengths.

See breakdown of judge's caseload and experience across matter types.

## Set client expectations.

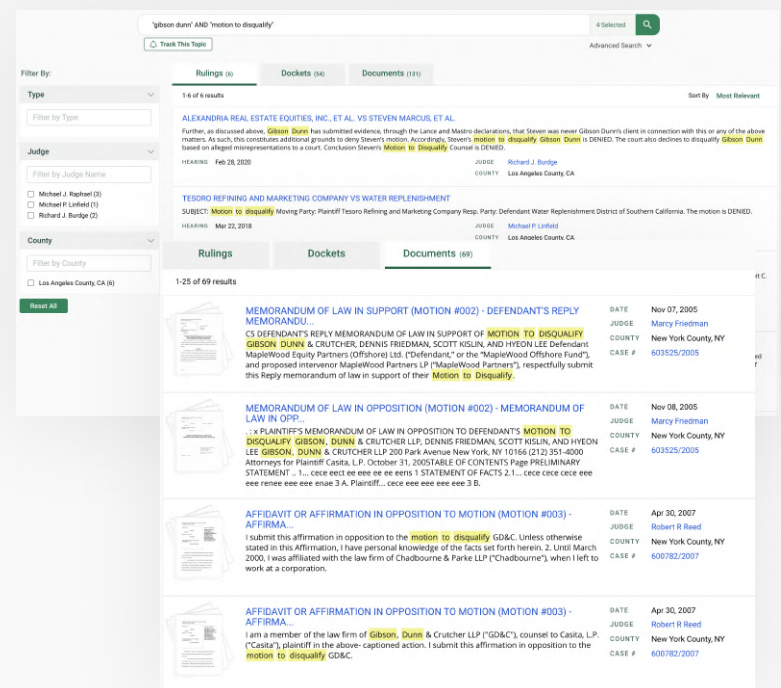

Build confidence and prep clients for difficult cases or motions with hard data and simple visuals.

# Intel on Opposing Counsel

Dive deep into your opposing counsel's other trial court cases:

- Current and historical caseload
- How often they take cases to trial
- Where they've settled similar cases
- Biases like motions to disqualify or requests for re-assignment
- How they've positioned issues within their previously filed docs

# Strategic Motion Drafting

**Search across over +100 million filed documents.**

Use the entire state trial court system as a "brief bank" to pull filed documents by motion type, legal issue, parties, judges or counsel.

**Searching Trellis automatically searches the body and text of filed docs.**

Impress your firm and clients with strategic data pulled from: summary judgments, deposition testimony, verdicts, jury instructions, etc.

Search results for "motion for summary judgment" AND judge:marvin AND practicearea:commercial in CA, NY.

# Marketing & BD

Before you pitch, understand your prospective clients' business needs:

- Where are they getting sued?
- By whom? In front of what judge(s)?
- Former counsel? Were they successful?

How much of a client's business does your firm have?

Cross promote your firm's other partners and practice areas to "Show" rather than "Tell" clients why your firm is the right choice.

# Be the Expert!

Get notified as cases get filed across state trial courts:

- By opposing counsel
- Against your client
- Before your judge

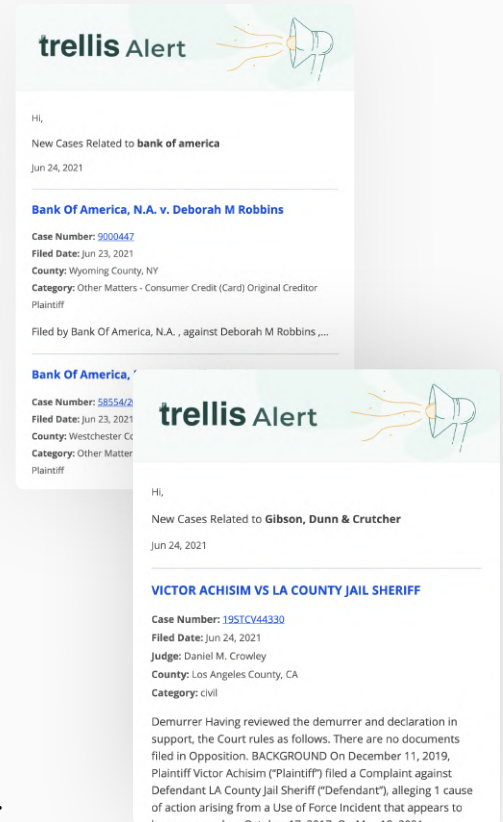

→ Stay an expert in your practice area by tracking new rulings.

→ Watch how judges are ruling in realtime at the trial court level.

→ Track your **cases** and **topics** across trial courts.

→ You can also share or set alerts for others.

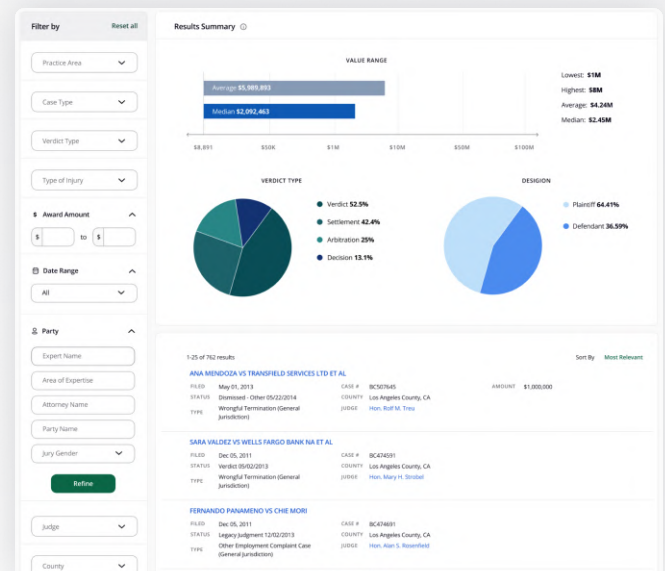

→ Advise your clients early to help them avoid exposure and reduce risk.

# Verdicts

Stop making decisions in a vacuum.

- See data on state trial court verdicts across CA and NY since 2009.
- See visualizations of verdict ranges for any legal issue or search terms.
- Narrow to verdict ranges for specific judges, experts, injuries, etc.

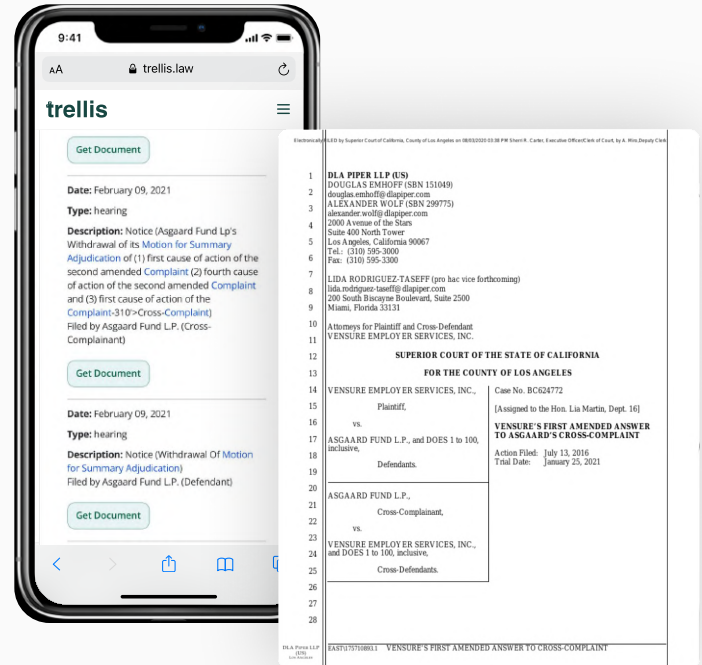

# Document Fetching

Gain access to a crowd-sourced library of previously purchased documents.

Los Angeles Superior Court documents are complimentary with your subscription!

Gain access to crowd-sourced library of previously purchased documents. (For Alameda, San Bernardino, Riverside, Orange County, San Diego, and Sacramento in CA, and King County in Washington.)

# Legal Data As A Service

Need state trial court data via API?

Reach out. Almost everything you can access on our site can be delivered via API.
