About:

We're meetin' in the middle! Head up or down to Orange County and visit with our local SLAers at the Bowers Museum in Santa Ana on 11/16. We'll enjoy a docent-led tour of the featured exhibition "["Dimensions of Form: Tamayo & Mixografia"](#) and have plenty of time to explore the collections in other galleries before and after the tour. When the museum closes at 4pm, we'll reconvene off-site for a drink or early dinner, and conversation.

Schedule:

- 10:00am: Museum opens (feel free to arrive as early as you'd like and explore on your own, have lunch, etc.)
- 12:30pm: Meet-up for tour
- 1:00pm: Docent-led tour of "Dimensions of Form: Tamayo & Mixografia"
- 2:00pm: Take a Public Gallery tour, or Explore the museum galleries on your own
- 4:00pm: Leave museum to reconvene nearby for a drink or early dinner
