*As presented by Karly on Barry's behalf*

The new mentoring message--without pushing membership--brought in 13 mentees, seven/eight have which been placed with six/seven mentors. Two are from UM, with one unplaced going to the new UM career person, Sara Samuel. The others are being notified that more mentors are being sought (the ones remaining, including a student at Syracuse, have very specific requests, such as mentoring in a rare book collection).

On the communications front, another article was submitted to the WSU SOLIS newsletter talking about Future Ready/new SLA pres./holiday party.

The next newsletter will be available Dec. 15<sup>th</sup>
