

# SCHOLARSHIP OPPORTUNITY!!

## The Society of Georgia Archivists is accepting applications for the Taronda Spencer Award

Taronda Spencer was a member of the Society of Georgia Archivists (SGA) for 15 years. She served as a mentor to many students and personally influenced multiple Spelman students to enter the profession. She was an active organizer of the HBCU Archives Institute and a charter member of the Academy of Certified Archivists. To honor her work in encouraging students of color to consider careers in the archival profession, the Society of Georgia Archivists established the Taronda Spencer Award to support student attendance at the SGA Annual Meeting.

If you are currently enrolled as a junior or senior at an HBCU with a demonstrated interest in Archives or a student of African American, Asian/Pacific-Islander, Latino, or Native American descent currently enrolled in a graduate program with a component in archival studies, we invite you to apply for this Award.

If you have a student or colleague who is eligible, please consider nominating them for the Award.
