

Student Mentoring and Diversity Coordinator

Coordinates Unit contact with students in degree-granting programs for the purpose of providing information about scholarship opportunities and Unit activities and to recruit them as new SLA members

Duties:

1. Represents the profession and SLA by participating in and/or promoting career day activities, awareness programs, library school presentations and mentoring projects. Past activities have included the Library Professional Association Day at St. Catherine's University (typically April/May if it occurs).
2. Notifies library/information science schools with Minnesota-based students of all Chapter activities, and invites both students and faculty to attend Chapter activities.
3. Provides students and faculty with information on special libraries and the benefits of SLA membership.
4. Works with the other committees to plan and advertise programs and services that foster the building of mentoring relationships among members of the Chapter.
5. Attends and presents annual report at the Chapter annual business meeting.
6. Monitors student-related, and diversity events for opportunities to promote SLA to these groups.
7. Submits news to the Chapter bulletin and website that would be of interest to students and members, especially as it relates to career opportunities and diversity activities.
