

An enthusiastic attitude is fundamental to *success*, *happiness* and *personal growth*. It guides us to positive thoughts and opportunities. In a business climate where the constant requirement is better, faster, with less, it is imperative that energy is not wasted but maximized for results.

We'll take a look at *enthusiasm as a choice* and an advantage for achievement and workplace satisfaction. We can influence future outcomes with a positive, enthusiastic approach to the challenges of the present.

Finally, we will learn 8 strategies for *maintaining enthusiasm in our careers* to accomplish more; enthusiasm is more than just zest for work, it is for the whole of life and living.
